

You are invited to Rural Relaxing, Hallaton Road, Medbourne for a dedicated young people's event!

So it's Pizza & Participate!

Tuesday 11 April 5pm

As young residents of Medbourne, we would love to hear YOUR thoughts and what YOU would like to see in our village in terms of future development. It will be a relaxed format and we really would like to hear YOUR VIEWS on the night.

Can you imagine yourself at 30 years old and wanting to come back to the village – think about what you would like to see change and what facilities you would expect for you and your own family? It might be helpful for you to scribble some notes on this sheet and bring along to the evening.

Do you like the look of our village?

Do you like the style of the houses?

Do you like the style of the new build houses?

Would you like to see ultra-modern houses?

Would you like to see houses of a similar design & build to what already exists?

The current village facilities & environment – what would YOU like to see?

RSVP Hope to see you!
